Fountains

Fountains have been principal features in gardens throughout the world for thousands of years. With styles ranging from Classical to Contemporary, our water fountains captivate the senses, combining soothing sounds with visually pleasing designs. Use one as the focal point of a new garden or to add an exciting new dimension to an existing one!

Shown in Burnt Almond (BA)

■ #927 Large Squirrels
Bird Bath
19" x 19" x 28"
Shown in Silver Ash (SA)

All bird baths generally consist of two components: a top bowl and a pedestal. We strongly recommend that you permanently secure the bird bath top to its pedestal once you have placed it in your garden!

Garden Statuary

After greenery, nothing enhances a garden more than sculpture! Popular since the times of ancient Greece and Rome, statuary has been used over the centuries in all styles of gardens. From small decorative accents to stately life-size figures, our collection of fine garden statuary not only provides excellent focal points, but also adds a touch of charm and personality to any garden!
