THE GIST COLOR PALETTE

TEXTURED vs SMOOTH

Select colors in the Gist Color Palette are offered in two different finishes. "T" for Textured and "S" for Smooth. Each palette has an indicator determining which finishes they are offered in.

NATURAL COLORS

linear fountain - page 21

STAIN COLORS

Years of research has yielded a color palette to compliment and beautify any environment. Every design can be matched with any color from the Gist palette. If your Gist dealer does not have the item in your chosen color, the Gist artisans can create your selection immediately.
