A desert landscape featuring a stone table and benches in the foreground. A large, light-colored umbrella stands behind the table. In the background, there is a waterfall cascading over rocks, a cactus, and some trees. The scene is set in a warm, arid environment.

Low maintenance,  
produced to last  
with a wide variety of  
size, color, tile, and  
mosaic options make  
**designcast** tables  
perfect for every  
landscape application

Above colors shown with standard finish on left and sandblasted finish on right. Sandblasted finish is included on some items, and available on others at an up charge. Colors as shown are approximate, and concrete sample chips are available upon request. Custom Colors are available by Special Order.

Air pockets are a common occurrence in precast products. Any Design Cast product can display air pockets. Frequency and size of air pockets is not controllable in any way. An example of common air pockets is pictured on the right.
